Solon Township
Annual Meeting
Saturday, March 27, 2021, 10:00 A.M.
Solon Township Hall
9191 S. Kasson St., Cedar, MI 49621

MINUTES

1. Call to Order

2. Pledge of Allegiance

The Solon Township Annual Meeting was held on Saturday, March 27, 2021. The Annual Meeting was called to order by Supervisor Jim Lautner at 10:00 A.M. with the recitation of the Pledge of Allegiance.

Board members present: Supervisor Jim Lautner, Treasurer Joan Gauthier, Clerk Shirley Mikowski and Trustee Steve Yoder.

Present: Dale Gauthier, Ron Novak, Melinda Lautner, Al Laskey, Amy Hubbell, Scott Drzewiecki, Kelly Claar, Mary Taylor and Al Rosinski.

3. Approval of Agenda

Motion by Joan Gauthier and supported by Ron Novak to approve the agenda as presented. Motion carried.

4. Fire Department

Andy Doornbos is the new Fire Chief who was hired at the end of February. He served under Chris Comeaux as Assistant Fire Chief and Chief Operating Officer.

Chief Doornbos reviewed the Cedar Area Fire and Rescue 2020 Annual Report as follows:
(The report can be found on leelanau.org):

- Responded to 575 calls which was a substantial increase from 510 in 2019 and 513 in 2018. 70% were medical calls.
- Out of 405 rescue and EMS calls, there were 239 patients transported with 189 of those calls needing Advanced Life Support, with intercepts from Glen Lake, Leland or Northflight/MMR.
- There is an agreement in place with the Glen Lake Fire Department to intercept with Glen Lake School.
- The fire at Redi-Mix brought crews from as far as Old Mission.
- There were two dedicated ambulances in response to Covid calls; one from Cedar and one from Leland.
- There were almost 3000 documented training hours in 2020.
- The new engine received in 2020 is a welcomed addition to the fleet.
- Grant funding was received for new extrication equipment through the 2% grant fund from the Grand Traverse Band.
- Lt. Johnson will be attending fire inspector school.
- Two members will be attending paramedic school.

Al Rosinski asked how the department will pay for OSHA Part 74? Chief Doornbos said that is still in the judiciary stage and is looking into this.

Ron Novak asked if any of the members had gotten Covid due to their jobs and what the protocol is for the staff? Chief Doornbos said that one member had the virus early on, but, cannot say it was due to Covid. The protocol is a temperature check and a questionnaire has to be filled out. Ron remarked that eighteen members are EMT's. Chief Doornbos said this is pretty much required now.

Al Rosinski asked about the drain problem and believes the problem is due to the addition. Chief Doornbos said the problem is being looked into.

Melinda Lautner inquired on how many females are on staff. There are two.

5. Approval of 2020 Annual Meeting Minutes

Clerk Mikowski read the minutes from the March 28, 2020 Annual Meeting minutes. Motion by Melinda Lautner and supported by Al Rosinski to approve the March 28, 2020 Annual Meeting Minutes as written. Motion carried.

6. Public Comment

Kelly Claar, Chair of the Parks and Recreation Committee, gave the following report:

- There were new members added to the committee with one being Brett McDowell.
- Started working on recording the inventory of the Solon Schoolhouse
- They fundraised for the parks in 2020 by collecting cans and have raised over \$2,000.00.
- Through the township and the Cedar Chamber of Commerce, additional playground equipment has been purchased.
- Pat Deering has offered to donate most or all of the mulch needed for the playground.
- With the hard work of Mary Taylor applying for grants, the township received almost \$12,000.00 in grant funding.
- Grant funding was received for boat wash stations through the 2% grant fund from the Grand Traverse Band.
- The Parks Committee is working cooperatively with the Cedar River Committee.
- Plans for 2021 is putting energy into the ball fields, completing the playground, continue working on the schoolhouse inventory, and looking into meeting with the Historical Society.
- The Five-Year Parks Plan needs to be updated so they will be working with Fleis&Vandenbrink who has been hired to update the plan.

This township has the parks, the schoolhouse, a cemetery, ballfields and river that all need improvement. The Parks meetings are the last Tuesday of the month at 6:00 P.M. The Committee wants and needs public input. Kelly thanked the township board for all their support and all of them that volunteer.

Al Laskey asked if it was 1983 when the river was dredged by the National Guard and the parks plan was laid out? Kelly said 1983 is when the National Guard dredged the river, but the parks plan was laid out in 1992. Mr. Laskey also asked about the property on the west side of the river, Ron Novak said that it is township property. Mr. Laskey read in the Leelanau Enterprise that the township was looking into ball fields as a spot for residential growth, and that was just some of the residents' opinion to build on the ball fields instead of on M-72.

Melinda Lautner gave a report on the county:

- The Land Bank Fast Track is partnering with Habitat for Humanity to build six new homes in Maple City.
- The on-line process to get a building permit was very valuable in 2020.
- They hired their first female inspector who is presently the interim department head for the inspections department.
- The jail was refinanced and a lot of money was saved on bonds
- Lost one of the deputies
- The county is doing very well financially
- They discussing building a tower on the county's property.

7. Township Budget/Approve 2021-2022 Budget

Supervisor Jim Lautner went over the proposed receipts and expenses budgeted for Fiscal Year 2021-2022.

Jim Lautner explained the township received more State Revenue Sharing because the State of Michigan is collecting more on-line sales tax. The Township received \$133,574.00 in revenue sharing in the Fiscal Year 2020-2021. The budgeted amount for 2021-2022 for State Revenue Sharing is \$ 136,000.00.

The Fire and Ambulance Operation millage is 2.50 mills and will raise approximately \$274,000.00 in 2021. The township support payment to the fire department has been set at \$233,221.68. The millage can only be used for the fire department.

The recycling fee of \$1,250.00 the township receives annually from Leelanau County doesn't even cover the snowplowing or the gravel and grading of the road. Ron Novak is working with the county to install a camera at the site which the county will be paying for.

Cedar River Marina Project Fund includes \$7,000.00 received from the 2% grant funding from the Grand Traverse Band to be used for boat washes.

There were no salary increases.

There were no Board of Appeals meetings this past year which means the Zoning Administrator and the Planning Commission is doing a great job.

The Cemetery budget includes funding to have the cemetery surveyed so several of the roads can be closed to give the township more cemetery lots.

The Elections budget amount includes additional funding to pay back some of the grant funding received in 2020.

The Parks and Maintenance budget amount includes funding for additional playground equipment and completion of the playground.

Al Laskey asked about the 1.9 Trillion that the federal government is dispersing to all of the states. Jim Lautner said Solon Township should be receiving \$149,000.00. This township has residents and they multiply that by \$100.00 per resident. There are no specifics on how it can be spent and understands there is going to be a liaison officer. Leelanau County will be receiving 4.2 million.

Ron Novak wanted some clarification that the Swamp Tax comes from the State of Michigan. The State generously gives money for the 2.5 square miles of swamp in the township. Joan Gauthier said the township received \$2,550.05 this fiscal year.

Al Laskey asked about the May Election if the township board will be informing the residents on what is being proposed on the ballot? Jim Lautner said the township board cannot take position or express opinion on how to vote on this, and read the proposition that is on the ballot. There were enough signatures obtained to put this proposal on the ballot. The election will be held on May 5, 2021. Shirley Mikowski said she has sent out over 400 absentee ballot applications and has received about 200 requests for ballots that will be sent out this upcoming week. The township does have to pay for this election.

Kelly Claar asked about the State Education Fund and Joan Gauthier explained the township receives \$2.50 per parcel when she collects the summer tax that comes from the schools.

Kelly Claar asked if the Road Improvement, the Fire Sinking Fund and the Sidewalk Fund are rolled over each year. Joan Gauthier said yes the funds are rolled over. Jim Lautner noted that the Fire Sinking Fund and the Sidewalk Fund can only be spent for those purposes. The Road Improvement fund has no stipulations.

Motion by Ron Novak and supported by Kelly Claar to approve the Solon Township Budget as presented for the Fiscal Year 2021-2022. Motion carried.

8. Other Business

There was none.

9. Public Comment

Amy Hubbell asked where pop cans can be dropped off to benefit the parks. Mary Taylor said they can be put in the cage that is in back of the township hall, and the loose cans can go into the barrel by the recycling site.

Mary Taylor said the committee believes the playground project will be completed this year because of having a project manager, and also having an individual that will help coordinate volunteers. There are individuals in the community that will volunteer, but wants someone to give them direction. Mary had talked to Lowe's before Covid and found they will pay their employees to volunteer with these types of projects, and will be following up with Lowe's and possibly Home Depot. They have put out a request for help.

Ron Novak thanked everyone that is in the township directory. He feels this is the last true democracy that is left in the United States that will actually listen to someone like him.

Scott Drzewiecki thanked Jim Lautner for the explanation in the expansion of the cemetery and feels it is a great plan to close the roads instead of having to purchase more property.

10. Announcements

Kelly Claar said the next Parks Committee meeting is scheduled for Tuesday, March 30, 2021 at 6:00 P.M. at the Solon Township Hall, and encouraged everyone to attend and send questions to solonparks@gmail.com. The Leelanau Conservation District is having a seedling sale that will help benefit them. The order form can be found at leelanaucd.org and the deadline to order is April 9, 2022.

Joan Gauthier said Leelanau County Solid Waste is having a collection for tires on June 24, 2021 and there will be an electronics collection on May 20, 2021.

11. Adjournment

Motion by Joan Gauthier and supported by Shirley Mikowski to adjourn. Motion carried.

Meeting adjourned at 11:20 A.M.

Respectfully Submitted,

Shirley I. Mikowski

Shirley I. Mikowski

Solon Township Clerk
